This year’s parade theme, “A Halloween Monster Mash,” lends itself to the annual fall holiday salute to Halloween that includes all kinds of costume wear, skulls, bats, skeletons, jack-o-lanterns, black cats, spiders, haunted houses, monsters and so much more ‘ghoulish’ fun. The costume and float ideas are endless, including witches, vampires, mummies, monsters, celebrities, cartoon characters, foods, plants, animals and real-life or fictions people, to mention a few...literally almost anything can be mimicked into a costume. Of course, there are also Halloween music and movies to pay homage to this creepy season, including the theme songs from several Halloween movies and one of the cult musical favorites, “The Monster Mash” (by Bobby “Boris” Pickett and the Crypt Kickers), the Halloween movie series, Scream, Scary Movie, Rocky Horror Picture Show, The Addams Family, Beetlejuice, A Nightmare on Elm Street, Friday the 13th, The Exorcist, Carrie, Gremlins, Edward Scissorhands, Ghostbusters... and the list can go on and on.

Join us for a fun Saturday morning homage to Halloween—Note: we will also be hosting a costume contest for all age groups on Saturday morning, October 26 (registration is required)!
